CLAIM

The ornamental design for a dial cap, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the ornamental design for a dial cap of the present invention;
FIG. 2 is a front view of the ornamental design for a dial cap shown of the present invention;
FIG. 3 is a back view of the ornamental design for a dial cap of the present invention;
FIG. 4 is a left side view of the ornamental design for a dial cap of the present invention;
FIG. 5 is a right side view of the ornamental design for a dial cap of the present invention;
FIG. 6 is a top down view of the ornamental design for a dial cap of the present invention; and,
FIG. 7 is a bottom view of the ornamental design for a dial cap of the present invention.

The broken lines shown throughout the views represent the portions of the dial cap which form no part of the claim.
