CLAIM

The ornamental design for a portion of a display panel with an animated computer icon, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of a portion of a display panel, showing a first image of an animated computer icon; and,

FIG. 2 is a front view of the portion of the display panel, showing a second image of the animated computer icon.

The process or period in which the image of FIG. 1 transitions to the image of FIG. 2 forms no part of the claimed design.

The broken line bordering each figure and illustrating the display panel portion forms no part of the claimed design. The broken lines within each figure illustrate graphical environmental features that form no part of the claimed design.
