CLAIM

I claim the ornamental design for a container for windshield lane markers, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and side perspective view of the container for windshield lane markers embodying the design of the present invention;
FIG. 2 is a top plan view of the container;
FIG. 3 is a rear plan view of the container;
FIG. 4 is a side elevational view of the container;
FIG. 5 is an end elevational view of the container, the opposite end being identical; and,
FIG. 6 is a side elevational view of the container.

The oblique line shading on the container for windshield lane markers is included to indicate that the portions on the container are transparent.
