CLAIM

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface showing the new design; and, FIG. 2 is a further front view thereof. The broken line showing of the text, the remainder of the graphical user interface, and display screen and the remainder of the device containing the display screen with graphical user interface in FIG. 2 is for environmental purposes only and forms no part of the claimed design.
