CLAIM

The ornamental design for an adjustable surgical stand showing my new design, as shown and described.

DESCRIPTION

FIG. 1 is an isometric top view of an adjustable surgical stand showing my new design to position, wherein the tool is merely to show scale.

FIG. 2 is a side view of an adjustable surgical stand showing my new design.

FIG. 3 is a side view of an adjustable surgical stand showing my new design.

FIG. 4 is a side view of an adjustable surgical stand showing my new design.

FIG. 5 is a side view of an adjustable surgical stand showing my new design.

FIG. 6 is a top view of an adjustable surgical stand showing my new design.

FIG. 7 is a bottom view of an adjustable surgical stand showing my new design; and,

FIG. 8 is an isometric bottom view of an adjustable surgical stand showing my new design to position, wherein the tool is merely to show scale.

In the drawings, the broken lines depict unclaimed subject matter only and form no part of the claimed design.
